We all celebrated attendance on the last morning of term by everyone having ice cream after our assembly. This was again provided free of charge to us by Tony's Ice Creams-a big THANK YOU to them for their generous donation.

Appointments-It can be hard to make appointments out of school hours. If you do need to take your child out during the day could you please try to opt for an afternoon appointment rather than a morning one. Taking children out later than 1.15pm will help their attendance records. Proof of appointments are required at the school office.

If your child is unable to attend school please call the school office. The school will text you if you forget. If you do not reply then you will need to provide a note on the day of return. Failing to do so will raise a safeguarding issue and Education Welfare will be informed.

Be ready to enter the school building at 8.45am every day
