

## Pupil Questionnaire- KS2 Classes Summer 2017 Responses

Dear Key Stage 2 Classes,

Thank you to everyone who completed the questionnaire in the summer term. There were 138 responses in total.

I'm pleased to see that nearly all of you feel that you work hard and get support from your teachers so that you can improve even further. You feel safe in school and many of you feel you could talk to an adult if you were worried about something, which is really good to know.

We all need to work together to make sure everyone behaves well at Burton Manor and follows our school rules. Acting responsibly to complete homework tasks is part of our 5R's values, so keep working hard in this area next term!
