YEAR 5 Safe and Sound Workshop at Stafford Fire Station – Wednesday 27th March 2019

Dear Parent,

Year 5 have been very lucky to be invited to a Safe and Sound Workshop at Stafford Fire Station, Beaconside. It has been designed to support our children to make informed and positive choices improving their health, safety and wellbeing.

The workshops included are:

Trucks and Child Safety – DHL Ltd

Fire Safety – Staffordshire Fire and Rescue Service

Anti Social Behaviour – Staffordshire Police

What to do in an emergency – Community First Responders

Water Safety - RNLI/Canal and River Trust

Railway Safety – Network Rail

The workshops for each topic will be approximately 20 minutes in duration then the groups move around to the next topic until everyone has attended all workshops.

We will leave school at 9 am so your child will need to be in school at the normal time on this day.

We will then leave at 12 noon so will be back for afternoon lessons. School uniform and a coat should be worn as normal.

Your child will need to bring a packed lunch and drink (no glass bottles please) in a suitable bag (e.g. a rucksack or satchel). If your child is currently entitled to Free School Meals, a packed lunch will automatically be provided by the school.

Under the provisions of the Education Reform Act, the school may charge for entrance fees, insurance and may request a donation to meet the cost of transport. These costs (per pupil) are as follows:

Workshops	Free
Transport & Insurance	£4.00
TOTAL AMOUNT	£4.00

We very much hope that your child will be able to take part in this valuable visit. It is requested that you please make payment online via Parent Pay no later than **Friday 22nd March 2019**.

Miss Meredith
