25th March 2019

Dear Parent,

OUTDOOR EDUCATION COURSE – STANDON BOWERS

A three-day course in Environmental Education and Outdoor Pursuits is being organised for Year Six pupils from Wednesday 26th June to Friday 28th June 2019 inclusive. The course will be held at Standon Bowers Outdoor Education Residential Centre which is run by the County Council and has qualified permanent staff. The leader in charge will be myself Mrs Jackson accompanied by Mrs Stevens and Mr Cashmore, and accommodation will be in dormitories. Transport to and from Standon Bowers will be by minibuses. Children are requested to only bring a small case/rucksack due to limited space.

The programme of activities will include new challenges that your child will not have experienced on any previous residential they have attended. This will be the last shared trip for Y6 pupils before they move on to different High Schools so we hope they will take many good memories from this experience with them. The cost to parents for this course is £100.00. This cost is heavily subsidised by the school as the actual charge to us is £141.00 per child. Payments must be made online through Parent Pay where you can make instalments to help spread the cost. Full payment is required **by Wednesday 12th June** at the latest.

Consent forms will be sent out to you before the trip takes place along with further details of the activities planned. A short meeting to discuss the trip will be held in early June.

Yours sincerely,

Mrs T Jackson
