Dear Parents and Carers,

This half term is proving to be a busy one, don't forget to check our on line calendar on the school website for information about forthcoming events.

PTA Disco— a huge thanks to everyone who supported or attended the PTA Disco before half term. We raised a fantastic £490 towards the purchase of a new stage and music system for the school hall which we are currently saving for.

The Tree Tribe's Environmental Review 2020—The Tree Tribe have carried out their annual Environmental Review and are pleased to share that our energy rating has improved, most bins are less than a quarter full showing that recycling is in action, children are turning off taps, staff and pupils are thinking about energy by keeping doors closed where possible and turning off lights when not in use. LED lighting has definitely contributed to this. Children continue to choose environmentally friendly ways to travel to school and the profile of biodiversity has been raised in the school grounds. Children can view the full results on The Tree Tribe's display board. Great news all round!

World Book Day— We had a great day today celebrating **World Book Day**.

Everyone dressed as their favourite characters, read stories from 'An alphabet of Stories' and all children across the school shared stories with each other.

Kind regards,
Mrs Jackson

Please do not leave pupils bikes and scooters leaning against the Fire Doors /Class doors to Key Stage 1 classrooms as this is a fire escape route.

A PTA Raffle will take place week beginning 16th March. Raffle tickets are £1 per strip (sold at break times) and the draw will take place on Thursday 19th March. Prizes include food hamper, chocolate hamper and many more goodies!
