Non-screen based learning

- *Read your reading book(s)
- *Practise your spellings
- *Work on your maths passport (they're all on school website)
- *Work on your Homework project (Y3/4 pupils-Extreme Earth)
- *Keep a daily diary of all the tasks you complete
- *Design your own timetable for working at home-what learning are you going to do and when?
- *Make a WANTED poster for a character you have been learning about in class
- *Design a new machine, label the parts and write about what your machine does, how it works etc
- *Exercise!!-YouTube- Kids workout 1 & 2, Fitness workout for kids, Cosmic kids Yoga
- *Design your own board game and write out the rules of play
- *Build an Eco model using recyclable materials
- *Write a book review

- *Do some research about a school topic you have enjoyed (The Vikings, Rivers, WWII etc)
- *Make a list of the counties and cities in the UK
- *Draw some flags of other countries and write 3 facts about each country
- *Cook or make something and write a set of instructions
- *Make a scavenger hunt (list of odd and fun things to collect from around the house or in the garden)
- *Learn origami –origami-instructions.com is a great place to start
- *Make a musical instrument
- *Learn to say 10 words in a foreign language
- *Learn a new card game
- *Construct something from Lego
- *Fill the sink and test which things float and sink
- *Make your own playdough, gloop, slime
- *Go into your garden (if you have one) and help to prepare it for summer. Think about what seeds or plants you would like to grow
- *Make different types of paper aeroplanes and fly them to see which is the best design
