### **Care Club Update – September 2020**

Dear parents and carers,

Our Care Club has been open and functioning since the start of September 2020, offering care each day for the children of Burton Manor.

However, in light of the recent Government guidance we, as the Governor Care Club Committee, have agreed that there should be a maximum number of 25 children in the school hall per Care Club session. This is to ensure the safety of all children and staff and is likely to be the arrangement for at least the rest of this school term.

We understand that there is a waiting list of children requesting a space in Care Club and staff will advise parents if and when a space becomes available.

Please also be aware that as Care Club is already at capacity on some days, they may not be able to allocate adhoc 'as and when' sessions.

As always, the safety of the children and staff are our priority and we will continue to monitor Government guidance as it becomes available. Please keep looking out for any updates via text message or the school website.

Thank you for your continued support.
