Dear Parents/Carers

Sponsored 'Wheels' Event

I am pleased to announce that we will be hosting our Sponsored Wheels event to help raise funds for school. We would like to purchase some new laptops for our children to use in school to help support their learning across a range of curriculum subjects.

This year, it will also be different because we will be able to use our new running track, which is also ideal for 'wheeling' on!

The event will be held on the following dates for each year group:

Monday 12th October – Nursery classes (am and pm)
Tuesday 13th October – KS1 classes
Wednesday 14th October – Year 5/6
Thursday 15th October – Year 3 & 4
Friday 16th October – Reception classes

Your child will need to bring their 'wheels' with them on their allocated sponsor day (for example, bikes, trikes, scooters, roller skates). However, for health & safety reasons, we request your child must be competent at using their 'wheels' and a helmet must be worn if they are bringing in a bike. We would also strongly recommend children wear a helmet for scooters too.

If we feel that your child is not competent for their own health and safety, then we reserve the right to ask them to stop and they can continue by walking/jogging/running round the track instead.

The event will be timed (10 minutes for Nursery; 15 minutes for Reception & KS1 and 20 minutes for KS2) and your child will need to complete as many laps of the running track as they can in the time allowed.

We hope that the children really enjoy participating in this event as it is a very worthwhile activity for which the children will receive the benefits for all their hard work! In addition, we are also offering a prize for the most money raised in each phase (early years, KS1 and KS2).

I have attached a sponsorship form and would kindly request that all sponsor forms and money are returned to school by **Monday 2nd November 2020 (after October half term)**.

Happy 'wheeling' and thank you for your continued support!

Yours sincerely

Miss Elliman
